## **CROCOSIA**<sup>™</sup>

CDIP Innovative Instinct

Have you ever seen crocodiles died from infected wounds and living in dirty swamp? No! we dont... Indeed; the wound heals itself really fast. This is the origin of the discovery of biological benefits of crocodile oil. Crocodile oil has been used for a long time for skin problems such as burns, wounds, sunburns, and even eczema. Rich source of Omega – 3, -6, -9 compositions of crocodile oil works as moisturizer to dull, dry, itchy, irritated, cracked rough skin and wound healing agent.

CDIP offers you the 100% crocodile oil; CROCOSIA<sup>m</sup>. What is CROCOSIA<sup>m</sup> actually?... CROCOSIA<sup>m</sup> is the purest oil extracted from fat tissues of crocodile (Crocodylus siamensis) regally farmed in Thailand and refined by our own protocol in order to meet our high standard.

Our CROCOSIA™ is the 100 % crocodile oil extracted without chemical use and purified by our own technique, which is under IP registration, to eliminate unpleasant scent and unwanted molecules. CROCOSIA™ has antimicrobial properties and creates a protective barrier over the burn helping it heal faster and reduce scaring.
